The Fourteenth Teachers Commendation Scheme
Ms Esther Wu and Ms Julia Chen were awarded the outstanding teachers at the Fourteenth Teachers Commendation Certificate Presentation Ceremony held on 9 September. Congratulations to both Ms Esther and Julia. And it is our honor to have both teachers working in our school.

News from Student
Congratulations to Chloe Cheung (P.5B), who had joined the 10th Chu Ying Bei painting competition in this summer. Her Chinese painting, namely “Mother and child”, was judged with outstanding standard and was awarded Silver Medal certificate and a trophy.

62nd Hong Kong Schools Music Festival
The 62nd Hong Kong Schools Music Festival would be held during 1 – 31 March 2010. If you would like to nominate your child to participate individual programme, please contact Ms Josephine and collect application form during 15-22 September. Besides, parents are asked to escort and supervise their children for individual programme so as to minimize the interference with normal class teaching. All completed application forms, application fees and payment of scores must reach the school on or before Tuesday 29 September 2009.

Gigamind Carpark
The Gigamind car park is strictly open for parents picking up their children or attending school meeting only. To facilitate our car park management, we advise parents attending school meeting collect parking permits from our office staff. We will impound or tow away cars that are parked illegally. The measure can help us to keep the “non-parent” cars away and make the school environment safe.

Student Financial Assistance
Low-income parents can apply for subsidy if student needs to come to school by public transportation and the distance between house and school measured by walking time is over ten minutes. The threshold on family income can roughly be found at: www.info.gov.hk/sfaa You may also call the enquiry hotline for details: 82267067. If you have received the “Eligibility Certificate” (SFAA 188C), please return it to our General Office before Monday 21 September.

Planetii – online mathematics learning
Our school has subscribed to Planetii in this academic year. It is an online system which provides supplementary mathematics activities for students. Our mathematics teachers would provide your child a password soon. Students are required to complete the after-lesson exercises as instructed by the mathematics teachers. Besides, you may optionally subscribe the “Reinforcement version” of Planetii for your child. The completed subscription form and cheque must be sent back to the Kowloon Bay office of Planetii.
